L.O.O.M. No. 7 The Oldest Moose Lodge in the World May 2010 Issue #5-10

From the Governor

First I would like to say THANK YOU to Governor Eric Douglass for encouraging me to take the next step in becoming a part of the Solution, not the Problem. I would also like to thank Past Governor Rodney Wheeler for giving me a chance in becoming an Officer for the Oldest Moose Lodge in the World and also encouraging me to push forward. To the Board of Officers, for sticking together in this time of economic crisis and hard times. I would also like to thank my wife, Amanda, my children (Austin, Ashlynn & Bailea, and my in-laws, Stan and Merri Pugh, for also encouraging me to push forward. I have had many talks with them about becoming the Governor and visions I have for everyone at the Moose in the near future. I would like to also say thank you to my wife's grandmother, Bertha Sanders, for being there to talk to when I needed it the most. Bertha lost her fight with Cancer last year.

Just a quick background on myself, I was raised and educated in Lebanon. I joined the United States Marine Corps and was a Military Police Officer for (6) years. I was in charge of (27) Marines at my first duty station. I then went to Mt. Fuji, Japan, to be the Non-Commissioned Officer in Charge of Military Police. I had (4) Marines working for me on a Training Base that would reach over three thousand personnel during training. I then returned to North Carolina where I was a Criminal Investigator. Once out of the military, I was hired at the Clinton County Sheriff's Office, where I have been employed for the last 11 years. I have completed numerous Management and Leadership training courses as well as Forward in the Good, Onward in the Right, here at the Moose.

I have a lot of good ideas for us here at the Moose. But to accomplish all of these, it will take a Team Effort. I mean every one of US at the Moose. We need to get our membership up and bring new members. We need to retain our membership as well. We also need to

take advantage of the low cost meals and beverages here. No where else in town can you find these prices and the fellowship you can have here. There will be changes that need to be made. However, these changes are for the better of OUR LODGE. I understand that in the past, the Board of Officers came up with all the ideas. This is not working anymore. We need everyone's help in coming up with ideas and helping with events. I also want to work closely with the Women in planning events and making them a successful profit for the Lodge. I would also like to see us get more involved in the community. I believe this would spread the word about the Moose and assist us in bringing in new members.

On another note, with having a new Administrator/Social Quarters Manager, it will take time for all of us to adjust. We need to submit ideas to him on what we would like to see and how to keep everyone coming out to support the Lodge. Suggestions and/or comments can be put on the web site or in the box outside the office. The Board of Officers will work diligently to meet the needs and wishes of our members.

I look forward to this year and bringing the Moose back into the green financially and keeping the doors open. After all, that is what we want, to continue to be The Oldest Moose Lodge in the World (thank you very much). Just remember, United we Stand, Divided we Fall

Thank you for your time
and God Bless.

Governor

Rick Abbott

ATTENTION MEMBERS!

Please have your membership card with you when you come to the lodge! The State Excise Police require members to have their cards. If an Excise Officer asks for your card and you can't produce it, the lodge will be fined. The bartenders are required to ask to see your card EACH TIME you come to the lodge. *Be proud* to show that you belong to the "Oldest Moose Lodge" in the World! Thank you very much!
