L.O.O.M. No. 7 The Oldest Moose Lodge in the World June 2010 Issue #6-10

From the Governor

WOW. The month of May has already passed. Where did it go? A lot of things have happened this month at YOUR Lodge. We have been busy making improvements and fixing things that needed to be fixed.

We had a major leak in the basement. We were able to get it fixed and found that we had some backups in the lines. We had a GREAT turnout for the Mothers Day dinner as well as the District Meeting. We were the ONLY Lodge to have OUR Moose of the Year (Brad Stockberger) Present. Thank You to Brad for doing EVERYTHING you do for the Lodge.

We now have the Moose Cups for sale at the Bar. I encourage everyone to purchase one of these. Even if you do not use it for drinks, it would make a great souvenir. We also have a new Wishing Well. We have heard a lot of compliments on this. All proceeds will go to Mooseheart. Thank You to everyone who helped in getting it going.

We have had SEVERAL people volunteer at the Lodge this month. From helping mow the grass, helping in the kitchen or serving dinners, bartending, fixing the leak in the basement, getting the ice machine working again, and doing some housecleaning. I would like to personally thank all of them for their help. I hope all of you continue to help in any way that you can.

The Fish Fry had a good turnout and the Wii night was very interesting. It was great seeing everyone have a

good time playing the games. I hope we can have more of these. We have a NEW Kitchen Manager. Her name is Merri Pugh. She has a lot of great ideas for the kitchen and wants to bring Home Cooked Meals to the menu. Please make her feel welcome here at the Lodge. She has put in countless volunteer hours cleaning and getting meals prepared. Please take a look at the menu as some items have changed. If you have any ideas or suggestions, feel free to get with Merri about them.

On another note, I have had many people tell me that things have come up missing here at the Lodge. I hope this is not true and items have just been misplaced. Let's all work together and make this work. It will take all of us. If everything comes up missing, we will have nothing. A lot of people have donated items to this Lodge and it looks bad on ALL of us when they come up missing.

It would take forever to mention everyone's name that has volunteered this month. I want everyone to know that their efforts have not gone unseen. I think it is great that EVERYONE is helping here at the Lodge. That is what it takes. Communication and Team Work!

Like I said before . . . *United We Stand, Divided We Fall*

Thank you for your time and God Bless.

*Governor
Rick Abbott*
