L.O.O.M. No. 7 The Oldest Moose Lodge in the World July 2010 Issue #7-10

## *From* the Governor

Well summer is here. Our children are out of school and a lot of us have vacations planned. If you will be staying in the area, take advantage of the low cost meals and fellowship here at the Lodge. The basketball court is ready for use. There have been several games between the children and the adults. I want to thank everyone who helped work on the basketball court. This is what we need to survive. I would also like to thank everyone who helped with the clean-up of the patio. What a GREAT job they did. I also want to thank everyone that has signed up to help with the mowing.

We are now gearing up for the July Festivities. The Lodge will have a ring toss booth at the County Fair. We are needing some help with this. We need volunteers to work the booth. We also are looking for donations of 2-liter bottles of pop. These will be given away if someone gets a ring on the bottle. This can be a big profit for the Lodge. It was a huge success last year at the Hot Dog Festival and it was only set up for two days. Please help support the Lodge in any way you can. If you bring pop to the Lodge, please have it put in the Office.

We have set the date for the Prom. It will be August 14th here at the Lodge. For those of you that did not make it last year, what a GREAT time we had. Look for more to come about this as well as ticket sales. We are also in the process of setting up the 3rd Annual Bike Run on August 2 1st. This is another big profit for the Lodge. What a night to come out

and enjoy the fellowship, and listen to Southern Oblivion.

Don't forget to purchase your Countdown books. You can save in the dining room as long as your book is paid up. This is another huge profit for the Lodge.

The air conditioning has been fixed in the Lodge. Thank you to everyone who helped with this project.

I encourage everyone to bring a guest out to the Lodge. I welcome everyone that has not been to the Lodge in awhile. There have been many changes. As we move forward, we still need everyone's help. So far, volunteers have been overwhelming. The Board of Officers are very proud that we have people willing to do whatever it takes to keep the doors open.

I look forward to another GREAT month at the Lodge and hope everyone is safe in their travels.

With everyone's help, we WILL move forward! United We Stand, Divided We Fall!

*Governor*
