**L.O.O.M. No. 7 The Oldest Moose Lodge in the World August 2010 Issue #8-10**

## *From* the Governor

What a GREAT month of July we had. The Booth at the County Fair went very well, It was great to see a lot of you come out to support the Lodge and take your turn throwing the rings. I would like to thank everyone who helped work the booth. I big thank you to Keith Reed for letting us barrow his trailer to store the supplies in the whole week. We had many people come to the booth and tell us that they appreciated what we were doing. We had several Colfax Ole Hickory Days Committee people come to our booth and ask us to set up a booth for Ole Hickory Days in August. We told them that we would love to. So, come out to Ole Hickory Days, August 6-8, and take your turn at throwing the rings. We will also need volunteers to work the booth. Check with a Lodge Officer to see what dates are available and when we need help out there. This can be ANOTHER big profit for the Lodge.

We received a letter from the Insurance Company advising us that the fire system

in the kitchen needs to be updated. Once again, we need to get this replaced as soon as possible. We only have approx. 1 1/2 months to get this done or our insurance will double.

We had some problems at the Lodge with water pressure. We believe the problem has been fixed. A couple fuses decided to go bad and not tell us, so, we had to figure it out on our own. After they were replaced, the pressure came back to normal and has been fine since. I want to thank everyone who helped fix the problem.

The officers have received several complaints about Members sitting in Earl's Bar making complaints. Several of them are newer members and were very excited to become members. They have since told us that they may not be back. The Bar is not the place for these comments. We are going to lose good Members if we keep this up. If you have a complaint, please come to a Lodge Meeting so it can be discussed.

The 3rd Annual Motorcycle Ride is August 21. If you have a bike, come out and enjoy the ride and the fellowship with everyone. We are working on bringing in several new

sponsors as well as possibly some big name people to ride with us. If you do not have a bike, come out and follow the ride and enjoy Southern Oblivion that evening while eating a juicy Ribeye Steak.

We also have the Moose Prom on August 28. What a great time it will be. I hope to see everyone there.

And, last but not least, don't forget to purchase your countdown books. There are plenty left and we need to get them sold. Don't wait until the last minute as they may be gone. This is a big profit for the Lodge. Tell your friends about it and have them buy a book or two.

We ALL need to stick together to make this work and continue to be The Oldest Moose Lodge in The World! United We Stand, Divided We Fall!

*Governor*

*Rick Abbott*

Thank you for your time  
and God Bless.
